

**WEAVING
DREAMS,
CRAFTING
COMFORT**

hello

“From idea to finished product “

THE MINT CONCEPT was launched in 2020 in Denizli, Turkey.

We started our journey to combine many years of experience in the textile industry and well trained employees in one company.

This makes us a reliable supplier for the home, hotel & garment textile.

Our team is made up of strongly motivated people working every day to improve processes, add value and innovate... always!

Offering wide range of products for bed, bath, kitchen, baby, beach & sea, hospitality, promotional, fabrics and garments.

We currently cooperate with retailers, department stores, purchasing associations, furniture stores and e-commerce sellers.

Benefit from our experience and know-how for your home/hotel textile & garment range.

WHY US?

Research

At the Mint Concept, we look into market trends, weaving sustainable innovation into every thread of our products and pursuit of the best for our customers

Development

Every stitch, every fold, is an art form as we breathe life into innovative textile products and combining this art with the new aspects of packaging, will lead to create&expand your brand

Management

Behind the scenes, our management experts act as the conductors of a symphony, harmonizing production, quality control and logistics to create seamless experience for our customer
